MEETING MINUTES

ADJOURNED REGULAR MEETING OF THE BOARD OF SUPERVISORS COUNTY OF PLUMAS, STATE OF CALIFORNIA HELD IN QUINCY ON AUGUST 2, 2022

STANDING ORDERS

Due to the Coronavirus disease (COVID-19) Public Health Emergency, dated March 16, 2020, the County of Plumas is making several changes related to Board of Supervisors meetings to protect the public's health and prevent the disease from spreading locally.

Plumas County Health Officer Recommendation Regarding Teleconferencing, issued on September 30, 2021, recommends local legislative bodies, such as commission, committees, boards, and council, hold public meetings with teleconferencing as authorized by Government Code section 54953 (e).

Pursuant to Government Code section 54953 (e) and to maintain the orderly conduct of the meeting, the County of Plumas members of the Board of Supervisors may attend the meeting via teleconference or phone conference and participate in the meeting to the same extent as if they were physically present. Due Government Code section 54953(e), the Boardroom will be open to the public but subject to social distancing requirements, which limit the number of people that may enter to 25% of room capacity. Those that wish to attend the Board meeting, will be required to wear a face covering, as required by the local Public Health Officer order. The public may participate as follows:

RE: COVID-19 Update

California situation

Incidence rates remain higher statewide. Incidence rate (IR) 42.1 per 100,000 (about 16,900/day), death rate 0.1 per 100,000 (about 30/day), test positivity (TP) 15.8%. Vaccination: 79.8%, down due to the addition of age 5 and below population. Incidence rate ratio (RR) 6.3 for confirmed Covid, 9.7 for hospitalization & 9.4 for death comparing unvaccinated to vaccinated + boosted.

Local situation

Cases: Incidence of confirmed COVID cases is lower than previous weeks. IR 15.03 per 100,000, calculated locally. Test positivity as reported by CDPH on 8/1 was 14.6%. COVID incidence in Plumas County is lower than the state average. The level of COVID in Plumas County is "Medium" (yellow) according to CDC's new community indicators. Note, however, that reported case numbers may be underestimated due to the increased use of home antigen testing.

Vaccination: No major changes to the vaccinated rates. Booster doses continue to be administered, but uptake has slowed in recent weeks.

Other clusters & outbreaks: Three ongoing outbreaks have been reported to PHA.

Additional reports.

The Novavax COVID-19 vaccine has been given Emergency Use Authorization for individuals 18 years and older. It will be available at PCPHA Clinic every other Thursday starting Aug 4. Appointments can be made by calling the PCPHA clinic at 530-283-6330 or using myturn.ca.gov.

Dixie Fire Collaborative, Report to the Plumas County Board of Supervisors
August 2, 2022

The regular work of the Dixie Fire Collaborative continues with disaster case managers helping residents work through their situations, the steering committee working to finish bylaws to can better support recovery and rebuilding, and we are trying to figure out how we can help our communities deal with infrastructure issues.

However, this week we are also taking time to celebrate what the communities have accomplished over the year since last August 4 when the Dixie Fire burned Greenville. There will be a chalk-art contest in Greenville on Thursday, Friday and Saturday; a procession on Thursday starting in the Feather River Canyon and proceeding through the communities that lost structures; guitar concerts in Greenville and Quincy, presentations at the American Legion property, and dances in Greenville on Friday and Saturday nights.

Randy Hovland's crew has been working tirelessly to have the soil compacted and utilities in place so the pop-up food trailers can be in place and open for the event. Whether you prefer German food, burgers, smoked meet over greens or noodles, the Valley Grind's special of the day, hot dogs, or sliders from the Way Baby Bar, there will be something for everyone's tastes.

So, we want to invite you to come see what is happening and enjoy the Indian Valley energy on the 4th. If you would like to see what is happening, I would be pleased to take you to lunch and show you around. Please call me at 530-616-0226 or send me an email at kestporter@gmail.com. I look forward to sharing our valley with you.

To be read at the Board of Supervisors August 2, 2022 Meeting.

Provided by Denise Pyper, I asked for the item, 1B. Behavioral Health 1) Approve and authorize the Chair to sign and ratify Agreement between PCBH and Maria Assunta Vicini to provide Tai Chi classes to all citizens in the Portola area: effective July 1, 2022: not to exceed \$18,000: approved as to form by County Counsel...to be removed from the Consent Agenda from the BOS meeting July 19, 2022. I attended that meeting and the item was removed to be discussed at a later date. I cannot be at the meeting today so I have provided this information to be read by Kevin Goss at the appropriate time at the meeting.

I was contacted by Kristy Pierson, MHSA Coordinator, we had a conversation about the use of MHSA funds for this purpose. She informed me that this was in the Three-Year Program and Expenditure Plan that we are currently in and also that the specific funds used would be out of Community Services and Supports (CSS) component and specifically the "Outreach and Engagement (O/E)".

I would like to point out that Proposition 63, was passed by voters in 2004 on the promise that funds would be used for the population identified by WIC 5600.3:

"(2) For the purposes of this part, "serious mental disorder" means a mental disorder that is severe in degree and persistent in duration, which may cause behavioral functioning which interferes substantially with the primary activities of daily living, and which may result in an inability to maintain stable adjustment and independent functioning without treatment, support, and rehabilitation for a long or indefinite period of time. Serious mental disorders include, but are not limited to, schizophrenia, bipolar disorder, and post-traumatic stress disorder. This section shall not be construed to exclude persons with a serious mental disorder and a diagnosis of substance abuse, developmental disability, or other physical or mental disorder." (NOT for any and all residents)

(4) For the purpose of organizing outreach and treatment options to the extent resources are available, **this target population includes, but is not limited to:**

(A) Homeless persons who are mentally ill.

(B) Persons evaluated by appropriately licensed persons as requiring care in acute treatment facilities including state hospitals, acute inpatient facilities, institutes for mental disease, and crisis residential programs.

(C) Persons arrested or convicted of crimes.

(D) Persons who require acute treatment as a result of a first episode of mental illness with psychotic features.

Community Services and Supports (CSS)- Programs, services, and strategies to address the unmet needs of adults with Severe Mental Illness (SMI) and children and youth with Serious Emotional Disturbance (SED). Provides funds for **direct services** to individuals with SMI. **Outreach and Engagement- Outreach and engagement of those populations that are currently receiving little or no service.**

I respectfully ask you to deny the request of MHSA funds for the item in front of you. This is clearly an abuse of funds approved for the severely mentally ill. **Thank you. Sincerely, Denise Pyper**

THE FIVE COMPONENTS OF PROPOSITION 63, THE MENTAL HEALTH SERVICES ACT (MHSA) FACT SHEET

Proposition 63, passed by voters in 2004, is made up of 5 components:

- 1) Community Services and Supports (CSS)—provides funds for direct services to individuals with severe mental illness. Full Service Partnerships (FSP) are in this category; FSPs provide wrap-around services or “whatever it takes” services to consumers. Housing is also included in this category.
- 2) Capital Facilities and Technological Needs (CFTN)—provides funding for building projects and increasing technological capacity to improve mental illness service delivery.
- 3) Workforce, Education and Training (WET)—provides funding to improve and build the capacity of the mental health workforce.
- 4) Prevention and Early Intervention (PEI)—provides a historic investment of 20% of Proposition 63 funding to recognize early signs of mental illness and to improve early access to services and programs, including the reduction of stigma and discrimination.
- 5) Innovation (INN)—funds and evaluates new approaches that increase access to the unserved and/or underserved communities; promotes interagency collaboration and increases the quality of services.
