VI. CONTINUED PUBLIC HEARING FROM THE MEETING OF JUNE 5, 2025 – STANIGER ZONE CHANGE (ZC 9-23/24-10) (Tracey Ferguson, AICP, Planning Director)

The proposed Zone Change project by Jason and Nicole Staniger, property owners/applicants, is located at 7398 Highway 147, Lake Almanor, unincorporated Plumas County, California; Assessor Parcel Number (APN) 106-010-004-000; Township 28 North/Range 8 East/Section 21, MDM.

On June 5, 2025, the Planning Commission held a properly noticed public hearing and received a staff report from the Planning Department, heard public comment, discussed the proposed Zone Change, but did not take action on the proposed project under Planning Commission Resolution Number P.C. 2025-01, rather, the Planning Commission made a unanimous motion to continue the public hearing to the next meeting of the Planning Commission to allow for additional conversations between Planning staff, the owner/applicant, and neighbors in pursuit of a compromise with possible revision to Exhibit "A" map to Planning Commission Resolution Number P.C. 2025-01.

On June 12, 2025, Nicole Staniger, owner/applicant, met with neighbors at the subject parcel to walk the 9 acres proposed for "F" combining zone in context of the June 5, 2025, the Planning Commission public hearing.

Thereafter, Nicole Staniger, owner/applicant, directed Planning staff to modify Exhibit "A" map to Planning Commission Resolution Number P.C. 2025-01 to add a buffer of 650 feet from the subject parcel southern property boundary and amend the 150 foot buffer along the western subject parcel property boundary to a 100 foot buffer, resulting in approximately 5.2 acres of the Farm Animal Combining Zone ("F") to the approximately 16.93-acre Suburban ("S-1") parcel zoning allowing no more than ten (10) hoofed livestock, including two (2) of those animals being allowed with their young (one year old or less).

The Planning Commission is charged with rendering a decision on the above matter in the form of a written recommendation (Planning Commission Resolution Number P.C. 2025-01, as amended) to the Board of Supervisors as per Plumas County Code Sections 2-2.107, 2-2.108, 9-2.905, and 9-2.906.

The ordinance is proposed to be exempt from the requirements of the California Environmental Quality Act (CEQA) under CEQA Guidelines Sec. 15061(b)(3) because after conducting the initial environmental evaluation for the project, which showed no potential adverse effects on the environment, it can be seen with certainty that there is no possibility that the project may have a significant effect on the environment. Further, Plumas County Codes, in addition to regional, state, and federal regulatory standards and regulations, would serve to address potential environmental effects.
